1   Color and monochrome scan speeds with letter-sized paper at 200/300dpi. Actual processing speeds may vary with data transmission and software processing times.
2   Requires an internet connection and an account with desired service.
3   Additional download and wireless connection may be required. Software application compatibility may vary based on device, operating system and country.
4   Maximum capacity based on using 20 lb. paper.
5   Maximum number of scanned pages per day can be used to compare designed durability between like Brother products. For maximum product life, it is best to choose a scanner with a daily duty cycle that exceeds your requirements.
