Discover the value of convenience and productivity.

Turn new challenges and everyday demands into cost-saving opportunities—with the flexible RICOH® Aficio® SP 5200S/SP 5210SF/SP 5210SR Digital Imaging System. The powerful system is specifically designed to simplify everyday general office tasks for midsize workgroups. Users can quickly access exceptional multifunction performance—including monochrome copy, color scan, print and fax capabilities—to complete a wide range of projects faster with incredibly low cost-per-page. Ideal for busier workloads, it offers incredible speed, quality, finishing and intuitive controls to streamline workflow so you can manage your documents more efficiently. Its compact design is packed with versatility for optimal production and value. Plus, it's ideal for organizations deploying a print management solution with Ricoh's Managed Document Services (MDS).

The Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR combines multifunction performance with user-friendly convenience to streamline workflow for mid-size workgroups in a wide range of environments.

# ProductiveFlexibleSecureVersatile

## Deliver More Efficiently

**The Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR offers a wide range of innovative features to improve productivity.**

- Boost throughput with exceptional print speeds. The SP 5200S generates up to 47 pages-per-minute. The SP 5210SF and SP 5210SR print up to 52 pages-per-minute.
- Produce crisp, sharp text at up to 1200 x 600 dpi resolution for high-quality, compelling results.
- Take advantage of easy-to-use scanning capabilities to simplify workflow with cost-effective electronic document storage and distribution.
- Work quickly with near-instant system readiness. Warm-up time is less than 20 seconds and first print/copy times are less than 8 seconds.
- Reduce paper, mailing costs and filing space with standard automatic duplexing at nearly 90% percent of rated simplex speeds.
- Maximize convenience with paperless faxing. Super G3 faxing, Internet Fax, IP Fax, and LAN Fax support come standard on the SP 5210SF and are optional on the SP 5200S and SP 5210SR.

## Manage More Conveniently

**The Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR includes user-friendly controls for convenient, intuitive operation.**

- Maximize uptime, streamline maintenance and reduce cost-per-page output with a high-yield, 25,000-page AIO print cartridge. When depleted, users can quickly replace the cartridge without technical assistance and recycle the spent cartridge with a provided return label.
- Gain clear, unobstructed access to critical device information from virtually any angle with an innovative 8.5" full-color tilting LCD panel.\*
- Perform all of your general office tasks from a single machine without compromising floor space or your budget. The compact footprint offers users more options for placement in more office environments.
- Access most functions, including all paper sources and the print cartridge, in even the tightest spaces via the forward-facing design.
- Set dozens of system parameters such as paper supplies and user authentication from the desktop with Web Image Monitor.
- Monitor device usage in real time with the Ricoh @Remote™ Intelligent Management System and receive service notifications quickly to minimize downtime.

## Protect Document Integrity

**Ensure the right information gets in the right hands with advanced security features that can protect sensitive information from a multitude of threats.**

- Restrict access to system functions with user authentication. Up to 500 user codes can be registered and assigned for optimal efficiency in larger workgroups.
- Ensure optimal data protection with the Data OverwriteSecuritySystem (DOSS). When enabled, it destroys latent images and data from the internal hard drive to prevent document reconstruction.
- Stifle attempts by hackers to steal print job data and passwords transmitted over the LAN with SSL Data Encryption or Wi-Fi Protect Access Support.
- Choose the optional Enhanced Locked Print-NX to store print jobs with encrypted data at the MFP until the user swipes an ID card or enters ID information at the control panel to release the job.

\*SP 5210SF and SP 5210SR only.

The adjustable full-color touch screen control panel on the SP 5210SF and SP 5210SR can be tilted to give users greater visibility and to provide easy access to the 1-bin and finisher trays. It even offers animated guidance screens for easy step-by-step instructions.

A USB Type A port is conveniently located in the control panel for quick and easy printing from/scanning to removable media.

The all-in-one (AIO) print cartridge is ideal for users without technical training. Easily accessible within seconds simply by opening the front cover, this convenient feature restores output to "like-new" image quality.

# PrintCopyScanFax

## Share Information Cost-Effectively

**The Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR offers a host of scanning capabilities to make electronic document capture and distribution quick, easy and free.**

- Speed scanning tasks with the 50-sheet Automatic Reversing Document Feeder (ARDF). It accepts originals up to 8.5" x 14" (up to 49" long in custom mode for banner scanning) for incredible flexibility and productivity.
- Convert hardcopy documents to electronic files and incorporate them into new documents using TWAIN scanning capabilities.
- Send scanned documents to hundreds of recipients cost-free over the network in one operation with Scan-to-Email/Folder/URL with LDAP support.
- Quickly transfer documents and images to portable media with Scan-to-Media (USB/SD Card) to streamline distribution in any environment.
- Reduce file sizes for scanned color documents without compromising image quality with high compression PDF for faster transmission and printing.

## Connect Your User Network

**The Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR includes flexible networking support that enables workgroups to produce a wide range of jobs efficiently.**

- Use the robust Controller to support advanced networking features, device monitoring utilities and data protection functions, including innovative device customization and host print capabilities.
- Complete multiple projects with ease. Powerful performance from the 533 MHz processor provides the bandwidth to prepare data streams and expedite project queues to meet the needs of corporate workgroups with 8.5" x 11"/A4 monochrome workflows.
- Enjoy full compatibility throughout the office with standard USB 2.0 Hi Speed Interface and Ethernet connectivity, including support for PCL and genuine Adobe PostScript<sup>3</sup>® in Windows and Macintosh network environments.
- Store up to 3,000 documents (up to 9,000 pages) on the powerful 128 GB Hard Disk Drive for easy, secure document management.

## Handle Every Task

**Engineered to help users complete everyday office tasks with ease, the Ricoh Aficio SP 5200S/SP 5210SF/SP 5210SR offers flexible media handling and finishing to expedite workflow.**

- Support up to 8.5" x 14" paper sizes with front-loading, user-adjustable paper sources.
- Increase paper supply without compromising floor space. Up to three additional paper trays can be added for a maximum paper capacity of 2,300 sheets.
- Finish sets up to 50 pages automatically, and offset stack up to 250 sheets, with the internal finisher that comes standard on the SP 5210SR.
- Accommodate stocks up to 59 lb. Bond/120 lb. Index (220 g/m<sup>2</sup>) from any paper source to ensure print jobs are executed on time and deadlines are met.
- Enhance envelope output productivity with universal feeding.
- Extend acceptable paper sizes up to 35" long in the bypass tray to accommodate banner printing and keep more projects in house.

Accommodate thicker paper stock—up to 120 lb. Index—from every paper tray to ensure more projects can be completed to specifications in-house.

These flexible systems can be configured for desk or floor placement. Stack up to 3 optional Paper Feed Units to boost input capacity to 2,300 sheets.\* The Paper Feed Unit TK1100 with casters is designed specifically for floor placement.

\*Requires the assistance of a service technician.

## The Total Green Office Solution

**Ricoh continues its long-standing commitment to developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising productivity.**

# Compact Effective Clear Engaged

## User-friendly design improves office productivity.

### User-Adjusted LCD Control Panel\*

See the easy-to-read, tilted control panel comfortably from virtually anywhere.

### Super G3 Faxing

Perform a variety of fax functions with pre-programmed speed, quick and group dial shortcuts on the SP 5210SF. A 1-Bin Tray is included to collect inbound faxes.

### 100-Sheet Bypass Tray

Extend paper sizes up to 35" long for banner production.

### Standard 550-Sheet Paper Tray

Front-facing, user-adjustable paper trays accommodate envelopes and paper sizes up to 8.5" x 14" and stock weights up to 80 lb. Bond/120 lb. Index.

### 3 x 550-Sheet Paper Trays

Add up to three additional paper trays to expand paper capacity to 2,300 sheets.

### 50-Sheet Automatic Reversing Document Feeder (ARDF)

Process originals efficiently—up to 8.5" x 14" and custom banner scanning up to 49" long—to speed the scanning process.

### Internal Finisher

Staple up to 50 pages and stack up to 250 sheets with the space-saving internal finisher on the SP 5210SR.

### Duplex Unit

Copy and print on both sides of each sheet of paper, reducing paper usage by half.

### Easy-Grip Paper Tray Handles

Open and close doors with only one hand, sitting or standing.

\*SP 5210SF and SP 5210SR only.
